

I. Personal Information

Name _____ Date of Birth _____

Phone number _____

Email address, please write legibly _____

II. Financial Information

All amounts are in U.S. Dollars: (use www.xe.com for your countries' exchange rates) Please note these figures are an estimate, based on the student being single, living in shared College approved housing close to campus.

The main costs for attending are not tuition costs but living and extra expense which is about 2/3rds of the cost. The College has no student housing but co-operates with local landlords to help provide affordable housing. A small number of jobs on the campus of GGWO & MBC&S are reserved for International students to apply for. They are limited, not guaranteed and prioritized towards leadership potential candidates. If offered, it will be part of a students' acceptance letter. (Engaging in employment off campus is not permitted). Occasionally, body members in Baltimore open their homes to international students to live. We don't always accept those offers due to transport needed and other reasons. The costs associated with attending therefore can be funded through the following:

1. Your own personal funds: please document accordingly
2. Family or housing sponsor, Baltimore based: If a family or someone you know has offered you housing.
3. Applying for on campus employment: see the main mbc.edu website for details

The College estimates the student's average costs for an academic term of 9 month's are:

| | | |
|--|--|-----------------|
| Tuition and Fees | (A very small number of scholarships available, see below) | \$2,500 |
| Rent, including gas & electric | | \$3,650 |
| Food & transport | | \$2,850 |
| Extra expense, (medical, initial housing deposit, first tuition payment) | | \$1,000 |
| TOTAL estimated funding necessary for one person to attend MBC&S as an F1 student for one year: | | \$10,000 |

Please document monies you have available to attend MBC&S:

(These figures should not include the cost of visa application or your travel to the U.S.)

Please give as much information as possible. Attach documentation to an email and send it to us. Anything you supply will be needed to apply for your F1 visa at an American Embassy/Consulate.

- Personal funds/savings available at time of application, (must at least cover extra expense) \$ _____

Attach bank or banking institution statements in your name, for three months prior to application

- Funds from other source or Baltimore family sponsor. Form I-134 needed, available at mbc.edu. \$ _____

If they are promising rent, food etc., add figures from above

- On Campus employment \$ _____

do the calculation and add the \$dollar amount that you would need to attend, through OCE

Total needed **\$10,000**

III. Signature

I understand that the information on this form is true, accurate, and verifiable with attached documentation. If and when an I-20 is issued in my name by Maryland Bible College & Seminary, I understand that any misrepresentation may be cause for refusing or revoking that I-20.
