

STUDENT FINANCIAL RESPONSIBILITY AGREEMENT

I, _____(NAME IN PRINT) hereby agree to uphold to any and all financial requirements as a student of Maryland Bible College & Seminary.

I understand and agree that when I register for any class at MBCS or receive any service from the College, I accept full responsibility to pay all tuition, fees, and other associated costs assessed as a result of my registration and/or receipt of services. These charges appear on my College Office account.

I promise to pay my tuition in full or through the payment plans offered by the College, set up at the beginning of each semester.

I understand and accept that if I fail to pay my student account bill, it will result in my grades being withheld. I understand that if my balance exceeds \$1,000, I will be unable to register for the following College semester. *As an F1 student: if your bill exceeds \$1,000, you will not be granted readmission for the following semester.*

I understand that the University uses College Office as its official billing method and will not send a paper bill to me or to anyone else who may make payments on my behalf. I acknowledge that I am responsible for viewing and paying all student account charges. I further understand and agree that failure to attend class does not absolve me of my financial responsibility as described above or constitute a valid reason for not paying my charges.

I acknowledge and agree that I am ultimately responsible for payment of all charges, regardless of my expectations for payment from financial aid.

This agreement supersedes all prior understandings, representations, negotiations and correspondence between the College and myself and constitutes the entire agreement between the parties with respect to the matters described. This agreement shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by the College if I agree and sign the modification. Any modification is specifically limited to those policies and/or terms addressed in the modification.
